HOW TO ENTER

Register for this event via the event webpage or by emailing your respective university contact or EESA co-ordinator by Friday 21 October 2022. Include details of your university, thesis supervisor, poster title and abstract.

The EESA Poster Paper committee will confirm your acceptance into the competition if your project meets the scope of competition (being focused on electric energy). Completed poster submissions are due by Tuesday 8 November 2022.

Submit your poster (ready for print) to the relevant contact, listed on the next page.

POSTER PREPARATION

Your poster should:

- Cover the key points of your project.
- Stand out.
- Provide a brief overview of your work (aims, objectives, method & results).
- Initiate discussion & questions

Formatting:

- Size: A1.
- Create using PowerPoint.
- Printing will be provided.
